

# LIST OF MAJOR TITLES – 2010

Updated 23 May 2010

This is not a bibliography. It is a list of my published books -- first U.S. edition and first paperback edition if by a different publisher. None of my publications in periodicals are included.

For research please consult E.C.Cogell, UKL: A Primary and Secondary Bibliography (1983); D.S.Bratman, UKL: A Primary Bibliography (1995); and Special Collections at the Knight Library of the University of Oregon.

I've dropped genre categories from this list, such as science fiction, fantasy, realism, YA, as they don't accurately represent the nature of much of my fiction. The category of books for children (under ten) is the only one that seems useful.

\*Tales from Earthsea is a story collection, but as it is the fifth book of Earthsea, and the others are novels, I list it with them.
